OM SYSTEM

SUMMER SCHEDULES 2023

Supporting all our young people by offering our free courses and workshops in the Arts.

To enrol for our FREE courses go to www.hvharts.org/courses.

We are pleased to be able to offer the following courses FREE and continue to support our young people in Camden. We must ensure that we follow up on our courses by giving our young people access to the arts projects that we deliver to encourage and inspire our future generation!

Please take note of age groups according to course/workshops as this is important when enrolling your child/young person. See location and times according to workshops in schedules below.

We will be adding more projects during the Summer term - you'd like to receive our updates please email courses@hvharts.org

TMMP BAND /TMMP MUSIC PRODUCTION: with professional musicians Spider and Piers

With professional musicians Spider and Piers, we are delighted to announce we are supporting 15 young people every Saturday and Sunday to support learning to play musical instruments, voice coaching, song writing and music production. To enrol, you must be able to commit to the dates of this programme to enable us to teach the skills we provide to give the highest level of education in music.

With professional music producers and writers we will teach management skills, production skills and writing skills each session. The outcome at the end of the 3 months will be for this group to manage, write, produce their own tracks to be released on Spotify, iTunes and Apple Music – to ensure full release is managed and released on DITTO. The young people on this course will also be learning how to create artwork, to become mentored in the music industry.

Location: Pirate Studios, Hampshire Street, Camden, NW1
